PARKS LEAGUE RULE APPLYING TO LEAGUE AND CUP COMPETITIONS

If a team is short of players a maximum of TWO players may play a second game at a penalty of 10 & 15 points per player added to the opponent's team aggregate score. The game/s will be played off the appropriate team handicap. The player/s to be selected to play a second time are the worst performer/s in the first four.

In the event of a tie e.g. Three players all losing 21-18 - the captain of the non offending team shall nominate the player/s to play again. If both teams are short and there is a tie the respective captains shall nominate there own player/s to play again from the players eligible as worst performers

Any player requesting to play in the first four and wishing to leave early must be declared to the opposing captain prior to the draw being made
